

IN THE HEART OF THE BOYNE VALLEY

Bellinter House Hotel & Spa sits on the south bank of the River Boyne within sight of the ancient Hill of Tara, six miles from Navan, and only 30 minutes from Dublin.

Built around 1750 by Richard Castle, our award-winning Georgian mansion was originally designed to host parties and entertain guests.

Our facilities feature 50 luxury bedrooms, multiple private meeting and dining spaces, a brand new Thermal Suite in our Bathhouse Spa, and complimentary on-site parking. We're also dog-friendly.

Highlight event spaces include The Garden Suite, The Drawing Room & Bar, The Library, The Cellar, Preston's, and George's Bistro.
