Christmas truly is the most magical time of the year. *Celebrate* this season *in style* in Bellinter House, the perfect venue for gatherings both large and small this festive season. Let us make this season special for you.

Paul Beehan

General Manager

We are delighted to be returning to Bellinter House for our annual Christmas party. The venue was the perfect setting for our Winter Wonderland themed party in 2017. An exquisite venue, 5* Christmas menu and fantastic service! We could not fault Bellinter House. Our staff rated it the best Christmas party EVER! Needless to say, we are excited to be returning in 2018!
